Dear Honourable High Court

Please accept our deepest apologise with the delay in sending files it is beyond our control but we are diligently and persistently doing all we can to access the google account that contains vital records pertaining to the child's wellbeing, health, and safety and the vital file you have requested such as the grounds and the additional evidence. It is extremely distressing with the account restrictions by google due to their error, but we are dealing with it. Me and my brother are both with additional needs, my son and brother diagnosed with autism, and myself awaiting my full diagnostics autism assessment.

## Relevant Case Law Supporting this Application

Furthermore, I wish to highlight the following cases that are relevant to the need for fair access and procedural justice:

1. **In re B (Care Proceedings: Fair Trial) [2013]** – Ensures a fair trial where all participants must be given a proper opportunity to present their case. The delays in access to documents impede this.
2. **Re P (Care Proceedings: Fairness of Hearing) [2014]** – Stresses the necessity of ensuring fairness in legal proceedings, particularly for those requiring reasonable adjustments.
3. **Lancashire County Council v G (Children: Consent) [2023] EWCA Civ 650** – Reaffirms the duty of local authorities to act in a timely manner and respond to requests for information promptly.
4. **A v Liverpool City Council [2010] EWHC 1585 (Admin)** – Reflects systemic issues in Liverpool City Council's processes, highlighting previous failures that have affected cases like mine.

These cases show a consistent judicial emphasis on fairness, access to evidence, and the necessity for reasonable accommodations in legal proceedings.

## Conclusion

In light of the legal authorities presented, I respectfully ask the Court to:

1. **Grant a three-day extension** to allow me sufficient time to obtain the files and case law required to fairly present my case.
2. **Allow flexibility in document formatting** due to my learning needs, as required by the Equality Act 2010 and GDPR, ensuring compliance with my rights to accessibility and fair participation.

Kindest Regards

Ashley Macklin and Ben Mak
