Hiya Elaine

My apologies for missing you, again. Really busy at the moment.

The Gardner ended up coming back to do the front and back garden which was a bonus.

As I was leaving mine, I bumped into me window cleaner, I was talking to him for a bit as he'd heard I'd been Sectioned so I was explaining everything to him. As I'm talking to him, who drives passed me...? Timmy... me Step Dad, he didn't look at me or let on, he could clearly see me, he just looked straight ahead and carried on driving.

Weird... coincidence or what? Strange!!!

I really need your help Elaine, please, as no one believes me about all these weird and strange occurrences that have been happening these past few months. Especially the occurrences leading up to the Court dates on 11th April and 20th, 21st & 22nd of May. I was Sectioned on the 19th May, what a coincidence that Ben turned up again when he has been told by the Judge to stay away. I need to get injunctions out on all of my immediate maternal family members so I can move on with my life and get my beautiful baby boy back, my Abel. Your the only one that believes me Elaine and I think Gary from WAWY does too. I'm not round the bend I'm reacting to abuse that is happening to me.

Can you please send me the information I need to get onto Property Pool. Whilst I am still in Broadoak will this help me with a higher band at all? As I need to move house sooner rather than later. I just want my Abel back.

Can we also make another appointment please? Just txt me a date when your free next

Thankyou Elaine, for everything, your an angel

Kind regards
Ashley Macklin
